MEMORANDUM FOR: Assistant Director, Office of Operations
FROM : Deputy Director Central Intelligence
SUBJECT : Herbert M. JIERSCHECK

The writer of the attached letter may well be a "crank" but I must say he writes as though he had his wits about him. I suggest you pass this on to your [redacted] office who might let us know the background of the writer and if they see fit, orally acknowledge the letter. Maybe the writer is merely a crystal ball gazer.
